Box Response
Commissioner for Patents
Washington, DC 20231

Election

Dear Examiner Dexter:

In response to the Office Action mailed October 10, 2001, Applicant elects to continue examination on the basis of Group I, claims 1-7, with traversal.

Traversal is appropriate because both Group I and Group II comprise common claims, 1 and 7. Thus, both groups are linked by the features of these claims.

Respectfully submitted,

M. Robert Kestenbaum
